Call for Undergraduate Research Grant (URG)

The Undergraduate Research Grants (URG) are awarded to undergraduate students currently enrolled in academic programs in higher education institutions in Oman, to conduct research projects, either on campus or at other research institutes in the Sultanate, with the option of being part of the student’s academic course or graduation projects.

Students are encouraged to prepare research proposals and submit for funding under the URG program.

Maximum Budget: OMR 1,500 / Project  
Period: Max of 1 year  
Limit on Resources: No caps for categories

Student Eligibility: Student should have completed at least one semester with 2.3 CGPA

Submission Process:

1. Faculty mentors and students are required to go through the attached TRC URG guidelines carefully before preparing the proposal. The proposals must adequately address all criteria elements in order to avoid disqualification from being considered for URG.

2. Faculty Mentor shall upload the proposal in the Moodle link given below:  
https://elearning.ibict.edu.om/mod/turnitintooltwo/view.php?id=69267 Key 466566

3. The research team should present their proposals before the review committee on the scheduled date. After approval, the students shall upload their proposals in the TRC-RIMS.

Schedule:

Proposal submission deadline (through Moodle): 15 Jan 2020  
Internal Review: 28 Jan 2020 to 11 Feb 2020  
Final Submission to TRC RIMS: 05 March 2020

Note:

- Students and Faculty Mentors should create their profiles in TRC well in advance before the last date of final submission.  
- Final proposal uploaded to RIMS has to be submitted to RCC both in word and pdf formats.
